Munden Grove Watford,  
Herts WD24 7EE Tel: 01923  
237812

## **NEW MEMBERS**

The appropriate application form must be completed and returned to the Secretary.

Applications are displayed in the Club House for an appropriate time and any member has the right to object to an applicant being accepted, without disclosing the reason.

Following this procedure applicants are interviewed by Officers of the Club and introduced to the Club.

If applicants are accepted they will be required to comply with the following.

1. Pay the appropriate membership fee each year.
2. Unless their previous bowling experience is acceptable new members will be allowed to join the Club on a temporary/probational basis until such time as they have had coaching and been approved by their designated 'Buddy'. A 'Buddy' is a designated member who will ensure the applicant knows where to find information and the procedure to follow both on and off the green. Each new member will be given two 'Buddies'.

Until approval new members can only bowl if at least one of their designated 'Buddies' also attends. Full membership will be offered when their 'Buddies' are satisfied that the applicant has reached the required standard.

3. Members are required to help with the teas and cleaning the Club house. Appropriate rotas are displayed at the Club house showing members designated duties.
