

NSBL NEWS

2004 Competitions

Would all clubs please note that the 1st round of the NSBL competitions must be played by 1st July. If your club has not yet been offered dates by your Challenger's to play these matches please chase the Challenger urgently.

Would all member clubs please e-mail the Press Secretary, Peter Gammage, with the name and contact details of their club member responsible for making arrangements for their NSBL competitions. Peter's e-mail address is given on the Delegate List posted on this site.

Weekend Four's League Fixed Date Matches

At the recent Committee Meeting the delegates voted against fixed 4's League match dates. Consequently, it remains the sole responsibility of each club to arrange mutually acceptable match dates with their opponents in this league.

Top Rink Prizes

As advised to delegates attending the recent Committee Meeting the bowls towels ordered by our Sponsor, Stuart McPherson, were lost in a fire at a subcontractors workshop. Since the towels had already been paid for but appear to have not been insured Stuart has decided that he cannot afford to replace them at his cost. Consequently, there will be no Top Rink prizes provided by Stuart this season.

NSBL Chairman

As announced by Peter Duncan at the 2003 AGM he will be standing-down as NSBL Chairman at the 2004 AGM in October. All NSBL clubs are urged to solicit applications for this position from their membership as soon as possible – do not wait until the AGM! Hopefully, by the next Committee Meeting, we will receive proposals of suitable candidates from member clubs.
